April 28, 2005

Alpha Phi Omega  
Lambda Omicron Chapter  
S.O.W. – Mountainlair  
Morgantown, WV 26506

Dear Brothers:

Congratulations on the 50th Anniversary of the founding of Lambda Omicron Chapter. And thank you for all that you are doing today to extend Lambda Omicron's legacy of outstanding Leadership, Friendship and Service into the future.

Lambda Omicron has a special place in my APO memories because of the bond of friendship that developed between delegates of our respective chapters at the 1982 National Convention in Kansas City. My chapter is Gamma Lambda, and during the '82 convention we became good friends with some of the Lambda Omicron delegates. The two groups decided that for the purpose of fellowship throughout the convention we would all be members of a special chapter that we christened Gamma Lambda Omicron!

Thank you for enriching my APO experience.

Fraternally,

A handwritten signature in cursive script that reads "Jack".

Jack A. McKenzie  
Past National President
